Skip Wilkins wrote and recorded **Czech Wishes** in Prague, Czech Republic, during the winter of 2016 while on sabbatical from his teaching position at Lafayette College. He formed the ensemble, wrote the music, rehearsed and recorded the music, and worked in conjunction with Petr Marek at New Port Line Records to see the work released on CD. He continues to tour regularly throughout Central Europe, generally four to five months per year.

Czech Wishes is lovingly dedicated to the people Skip has met in his journeys throughout the Czech Republic and beyond.
